ADM 1.6

DDS&T-180-68

18 January 1968

MEMORANDUM FOR: Director of Foreign Missile and Space Analysis Center
Director of Computer Services
Director of ELINT
Director of Research and Development
Director of Scientific Intelligence

SUBJECT : DDS&T Midcareer Course Presentation

1. This is to confirm arrangements for the DDS&T presentation to the Midcareer Course [redacted] on Tuesday, 13 February 1968. You will note in the attached schedule that there is a modification in the format used previously. Mr. Duckett will give the overall DDS&T presentation for the first part of the morning to be followed thereafter by the Office Directors who will discuss for periods of 45 minutes specific intelligence problems as appropriate.

25X1

2. Departure from National Airport will take place at 0800 so that arrangements will be made to transport addressees from the Front Entrance of the Building at 0730. If you plan to proceed independently to or from the airport please let me know.

3. As usual the DDS&T participants will remain [redacted] overnight and leave there approximately 0715 to arrive at Headquarters in time for the morning meeting on Wednesday, 14 February.

25X

4. All the students hold SI, T-KH clearances.

5. If there are any questions about the arrangements please call the undersigned.
